

Spamfilter.ie (Guidelines for setting up our new spamfilter)

Friday 24 June 2022 08:47

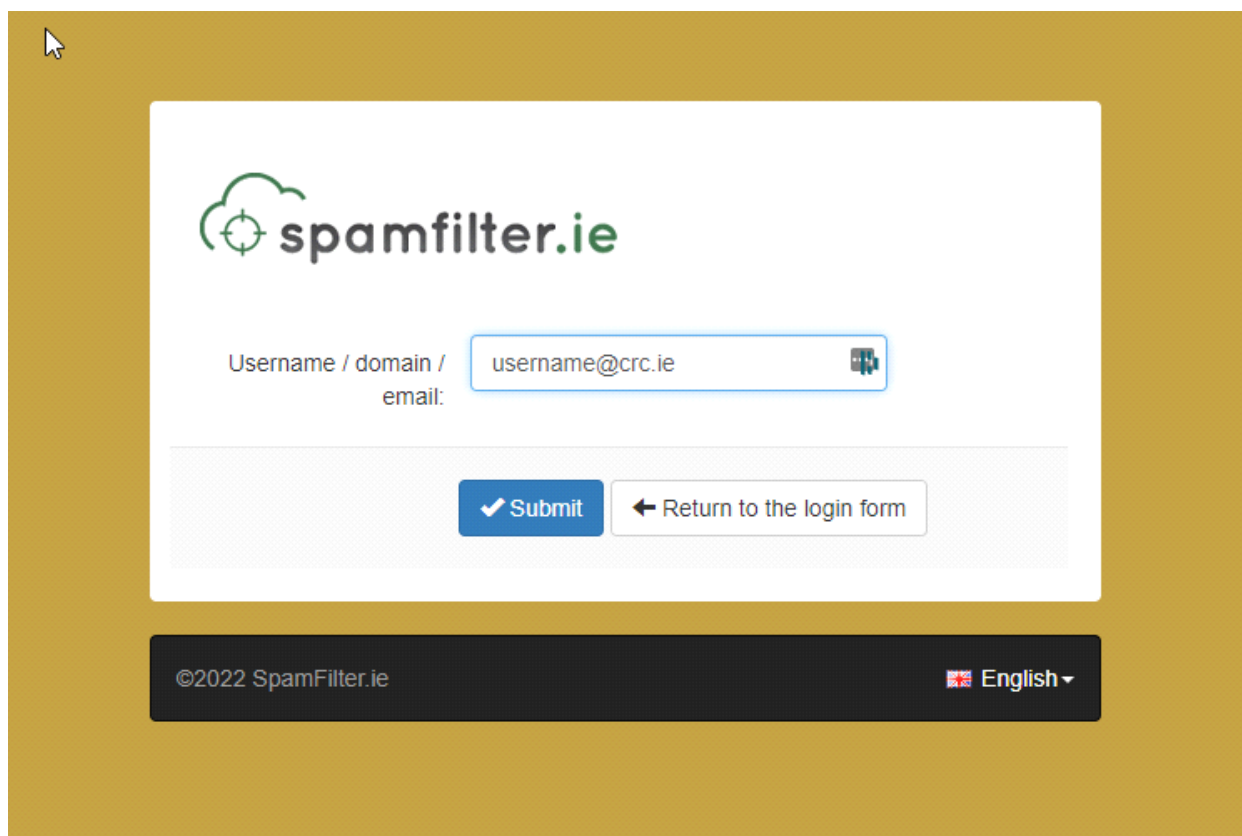

Step 1: You will receive an email that will look like below

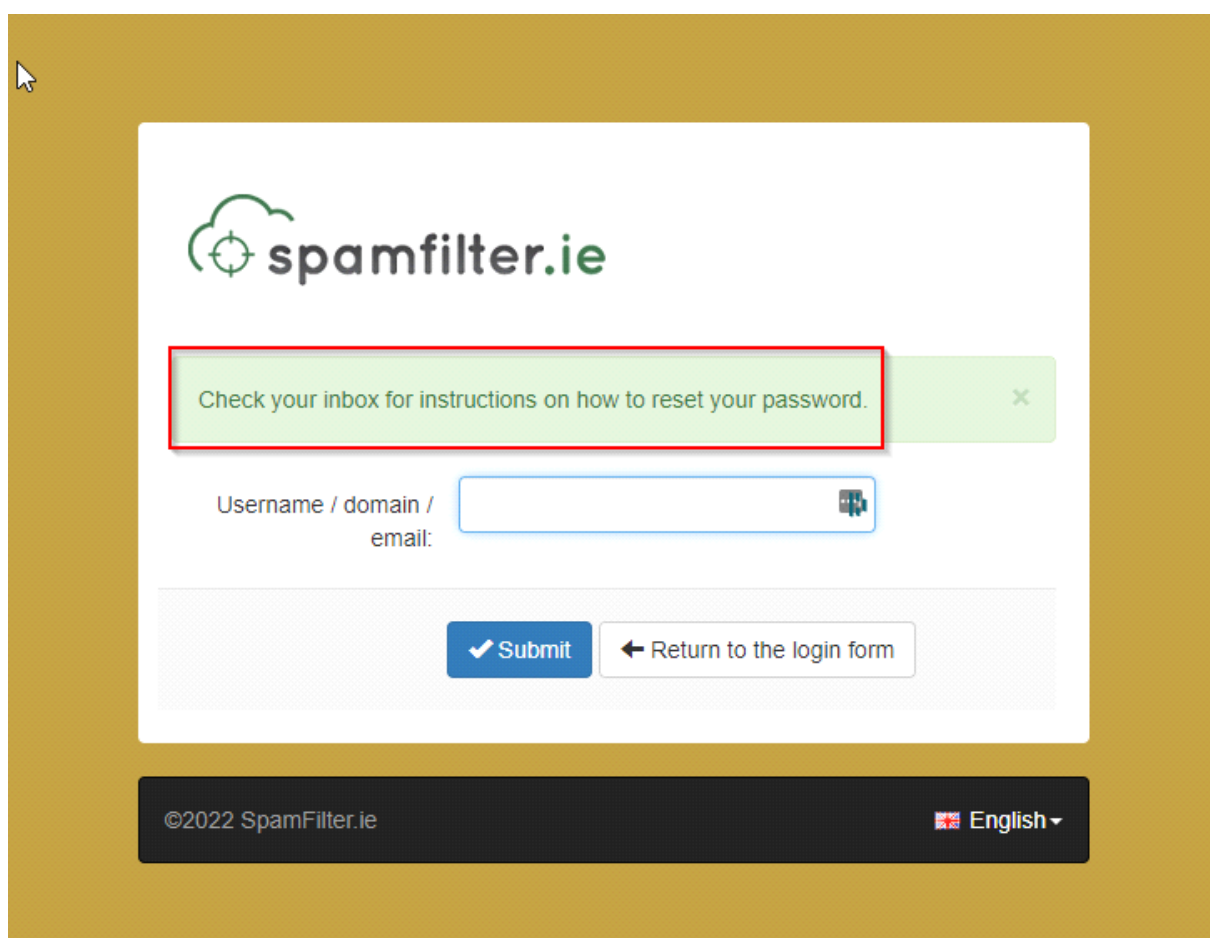

Step 2: Please click on the link I have highlighted in red

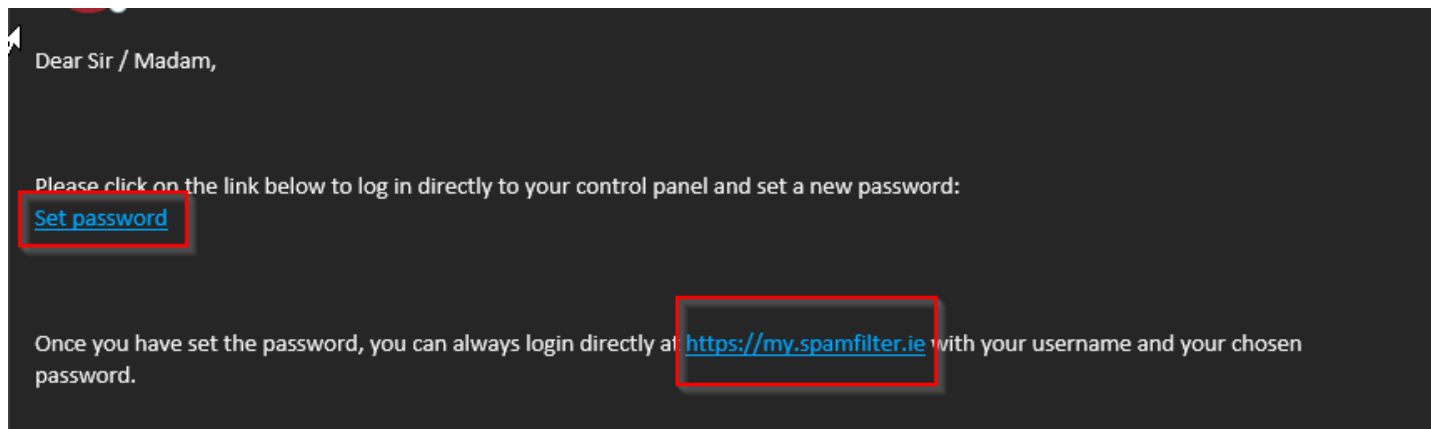

Step 3: enter your username and click submit.

Step 4: As the message say. You will receive an email with instructions on how to reset your password for the first time.

Step 5: Click the "set password link"

Step 6: Set a new password. Please make sure this is secure. It must be no less than 8 characters with numbers, Uppercase letters and 1 symbol minimum.

User's profile

Here you can manage your account settings.

Local credentials

We recommend you use a password manager that automatically creates and remembers your password.
